**10. CNC**

This is an **exhibition only** category that we are introducing this year, to gauge interest in this growing branch of woodworking. CNC Routers and lasers are capable of producing and reproducing very fine detail.

**This category has no entry fee, and no prizes.**

### **Conditions of Entry.**

If sufficient entries are not received in any one category, the committee reserves the right to re-allocate those entries.

Please ensure your entry is in the right category. The Committee reserves the right to change the category of any entry that they feel is wrong. Work must be original & created entirely by the entrant. Work must have been completed over the last three years and must not have won a prize in any previous competition or exhibition which is open to entries from any member of the public

Packaging, freight and insurance is the responsibility of the entrant. ALL ENTRIES REMAIN THE PROPERTY OF THE ENTRANT; THEREFORE INSURANCE IS THE OWNERS RESPONSIBILITY.

Entries may be sold. Sold items remain the property of the entrant, and are their responsibility until paid for. They may then be uplifted by the purchaser.

Please ensure packaging is adequate as the same packaging is used for the return of your entries. Entries must be clearly labelled with the name & address of the exhibitor, the title of entry & category, with a return address clearly marked. Return freight must accompany the entry forms unless the competitor or nominee is collecting his/her work.

Exhibits will not be released until after the festival closes at 3pm Sunday 26<sup>th</sup> November and must be signed out by the Dispatcher.

The organisers will take all care.

**Judging** is done separately by three judges, with marks from each Judge being added together to give a total to decide the winners. Competitor's names are covered for Judging. Marks for your work are available if you want to see them after the prizегiving.
